A letter from our founder, director, and instructor

My help comes from the LORD, who made heaven and earth! Psalm 121:2

Welcome to Night At The Museum! This year's theme was inspired by "Walk Like An Egyptian," released by The Bangles in 1986. We had so much fun bringing each exhibit to life through choreography, and we hope you enjoy each performance.

We are honored to celebrate 32 years with you. Your support and the trust you place in us helped accomplish this milestone.

Since opening in 1994, our mission has been to create more than a dance studio. We are committed to building a community where students grow in character, confidence, and discipline while discovering the joy of dance. We value humility, integrity, and excellence, and strive to nurture each dancer in a positive, faith-centered environment.

Thank you for being a part of our VM family. We look forward to many more seasons together.

With love and appreciation,

Vicki Michelle Kottwitz
